

We are extremely pleased that for the second year in a row, Eduniversal© ranked the Texas A&M Masters of Science in Economics as the #4 Public University and #20 overall ranked Economics Master's program in North America. This ranking is the result of tireless efforts from faculty and staff at Texas A&M who strive to give the students a top quality education at one of the top public schools in the U.S.

The Eduniversal© Best Masters Ranking is a true assessment of global masters and MBA programs designed to help prospective students determine the best choice for their graduate studies. This is the only ranking that evaluates individual masters programs worldwide in 30 fields of study. Each year this ranking evaluates more than 12,000 postgraduate programs. The final ranking is determined through a global survey of 5,000 international recruiters, 800,000 students and over 10,000 representatives from 1,000 academic institutions in 154 countries.
